Crochet cap

Designed by:

Materials

- 200 grams of any fingering acrylic yarn or cotton yarn (if you are using two colors 100 grams of each color)
- 2.5 mm crochet hook
- Tapestry needle
- Scissors

Stitches used

Ch	chain
Sl st	slip stitch
Sc	single crochet
Inc	Increase

Gauge

You don't need a specific gauge for this cap. But there is a stitch gauge as 6 to 7 sts in one inch.

Size

I have made this an adult size you can make it small by using a smaller hook or by measuring with the brim as we will make it first so it will be easy to measure the head size.

Special note

- **We will use two colors and for you ease to understand I have mentioned color A and color B work as**

  Asc: A color single crochet

  Bsc: B color single crochet

  It means you will make A color single crochet when there is Asc and B color single crochet when there is written Bsc

- **Join with a sl st at the end of each round**
- **Ch1 does not count as a stitch**
- **Repeat all the instruction within ** till the end of the round**
- **Inc(Asc, Bsc) means you have to make 1 sc in A color and !sc in B color in increase sts**
- **Inc(A) or inc(B) means make increase sts with color A or color B only**
